Welcome to the third edition of our IESCA Newsletter! We are thrilled to bring you this latest issue, filled with exciting updates, insightful articles, and highlights from our vibrant community.

In this edition, we delve into a variety of topics that showcase the creativity, innovation, and dedication of our students and faculty. From site visits, case studies and college programs, to profiles of inspiring alumni and upcoming events, there is something for everyone.

We hope you enjoy reading this newsletter as much as we enjoyed putting it together. Your continued support and engagement are what make our college a thriving hub of architectural excellence. Thank you for being a part of our journey.

Farewell Function "Alaida" A Night to Remember

SOMEWHERE
IN BETWEEN
HELLOES
& GOODBYES

On the 24th of June, our college bade a heartfelt farewell to the graduating 2019-2024 batch with an evening filled with nostalgia, laughter, and celebration.

One of the highlights of the night was the "Memory Lane" segment, where a video montage featuring photos and clips from the students' time at college was played. Laughter and tears were shared as everyone revisited moments of joy, hard work, and camaraderie.

URBAN STUDY FORT KOCHI - 03/07/2024

On July 3rd, 2024, The students of S9 Batch IES College of Architecture, embarked on an enriching journey across Fort Kochi, guided by faculty members Ar.Sreekumar, Ar.Emie B Fair, Ar.Sujith. Throughout the trip, students engaged in Architecture talks, historical tours, and reflective group discussions, making this an unforgettable educational experience.

“Chola House” Palakkad By Ar. Anoop Kuttan Nair

As a part of architecture design studies the students of semester 3 visited 'Chola House, Palakkad' with Ar. Anoop Kuttan Nair for an interactive residence case study. The students explored the unique modern take on Kerala traditional style residence to have a better understanding of the features of the dynamic blend with its natural landscape. The house is east-west oriented and opens into a courtyard with a beautiful view of the paddy fields where an infinity pond takes the highlight. The interior space is connected to the exterior spaces and emphasizes on natural ventilation and lighting with the use of wooden louvered windows and bamboo. The residence made for 2 is divided into the main residential block and a guesthouse, made in mind to provide homestay in the future.
